Search for address...

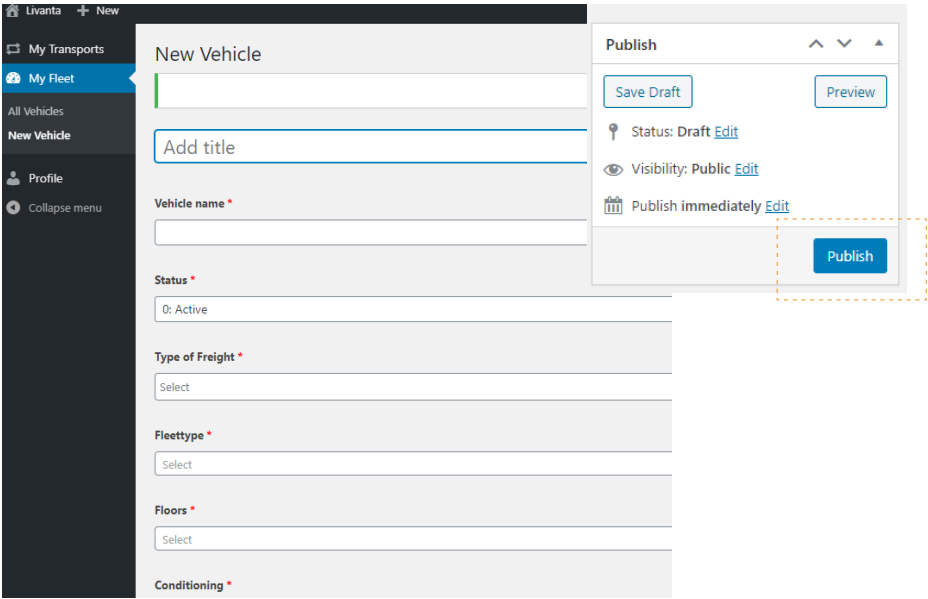

After you have logged in for the first time, click on 'My Profile' in the menu on the left. Here you will find your personal information and you can start creating your fleet.

Then click on 'My fleet' on the left side in the black area and then on 'New truck'.

The page below will appear on your screen. Here you can fill in all the details for one specific vehicle. After filling in the details, click on 'Publish' at the right. Do you have several vehicles? Then you can add another vehicle after publishing your first one.

When all vehicles are added to your fleet, go back to your profile by clicking on 'Profile' in the black section on the left.

Fill in the correct details under name and contact info if they are not completed yet. Scroll down for the general settings of your profile. Here you indicate when you want to receive notifications of interesting freights. First of all, you indicate the countries of origin and destination. You will receive a notification of all freights that load or unload in these countries. If you want to be informed about everything, select EUR: Europe. Please note! You may receive several notifications in one day.

If you want to be notified of all shipments from the Netherlands for example, then you select the Netherlands (for origin) and Europe (for destination). These settings can be adjusted/changed at any time.

Notifications	<div>Notification origin</div> <div>Notification destination</div>	
1	<div>*All</div>	<div>*All</div>
2	<div>EUR:Europe</div>	<div>EUR:Europe</div>
		<div>+ - Add row</div>

The notifications go directly to the e-mail address listed in your general data. If you have colleagues who should also receive these notifications, you can add their e-mail address below under 'E-Mail notifications'

E-mailnotifications	<div>e-mail</div>
1	<div></div>

Make sure that E-Mail notifications are turned on and enter your phone number. In the next step, you indicate the animal type you want to transport and which you can transport. You will receive a notification of this.

<b>Standard choice type of animal</b>	<input type="checkbox"/> Alpacas <input type="checkbox"/> Calves <input type="checkbox"/> Cattle <input type="checkbox"/> Goats <input type="checkbox"/> Horses <input type="checkbox"/> Lambs <input type="checkbox"/> Other <input type="checkbox"/> Piglets <input type="checkbox"/> Pigs <input type="checkbox"/> Sheep <input type="checkbox"/> Sows
<b>Standard choice fleet</b>	<input type="checkbox"/> Combi <input type="checkbox"/> Delivery van <input type="checkbox"/> Jeep with livestock trailer <input type="checkbox"/> Single truck <input type="checkbox"/> Trailer <input type="checkbox"/> Unknown

Then indicate which means of transport you have in your fleet.

Finally, you must upload your Type 2 certificate in order to work with the platform. Then click on '*Update Profile*'.

### 3. Functioning of the platform

After we have checked your profile, you will be placed in our system and receive automatic notifications of any freight that is of interest to you.

When you receive an e-mail of loading and click on the '*See Freight*' link, you will be taken to the page below. Here you will find all the details about the freight. Interested? Click on the '*Interested*' in the top right corner and get in direct contact with the handler or freight provider and see what you can do for each other!
